

*The sales team at Prior Conservatories.*

*I would like to take this opportunity to thank you and all the staff at Prior Conservatories for all the help and professional advice given, which enabled me to purchase one of your DIY conservatories over the Internet. The conservatory is now installed and is a great addition to my house.*

*I would be happy to recommend your service to my friends and have already done so.*

*Thanks again for all your help*

*Yours sincerely*
